We're stuck here at our typing machine trying to come up with some words that will last. It has been such a fabulous experience watching you grow up from an easy going child into a hard working, lovely young lady. From that little girl with her never ending love for killer whales, to not letting momma cut those curls so you could donate your hair (five times), to watching you run your pony through the sand, you have given us so many visions of good times that brought so much pleasure, it makes us want to go back again and again.

Learning to trust your intuition, you were the first to know that Meredith College was your life's next port-of-call. Focused on this goal and leveraging your strengths of good work habits and thoughtful decision making, you have delivered success far beyond anything we could have wished for you. You have continued to make some great friendships on your journey through college, knowing how precious these will be as you go through life.

We know that you will keep building upon these strong foundations and reach your star as only a Meredith Angel can. You are the daughter of a son of sailor, and like all good mariners, you learned long ago to keep a weather eye to the horizon. You know the value of planning and thinking ahead, and will never be caught trying to cram lost years into five or six days. And while there will be laughter and tears as you progress through the years, we know that you keep making the best of what comes your way. You have never failed to amaze us with what you could accomplish, and we know that there is just so much more yet to come.

From the bottom of our hearts, we love you and are so very proud of you, our brown-eyed girl.
Mom and Dad

Whitney Schuyler Hoffman

Congratulations Whitney!

You are a star, a shining example of what a sister, daughter and granddaughter should be. We are so proud of you and the caring beautiful young lady you have become. You have set goals and made them reality, doing so with confidence and grace. Thanks for all the joy and happiness you have brought into our lives! You truly are an angel! Below is your favorite quote and in our eyes you have already achieved all of these goals in your young life.

"To laugh often and love much; to win the respect of intelligent people and the affection of children; to leave the world a better place; to know even one life has breathed easier because you have lived. This is to have succeeded."
-Ralph Walkdo Emerson

Love Always,
Mom, Hunter,

Nicole McGuinness

Nicole,

We love you very much,
Mom, Dad, Tyler, and Gram

LeAnn Brown

Well You have done it!
It is time for you to go on with life, Angel.
We are proud of you.

We love you always,

This is the begginning of a new day.
God has given me this day to use as I will.
I can waste it... or use it for good,
But what I do today is important
because I am exchanging a day of my life for it!
When tomorrow comes, this day will be gone forever,
leaving in its place something that I have traded for it.
I want it to be gain, not loss;
Good, not evil; Success, not failure;
In order that I shall not regret the price I paid for it.

Seize the day!

We love you, Allison, and we're so proud of you!

Dear Ashlea,

There are no words to express how proud we are of you. The time raising you was gone in an instant. We've seen you go from a headstrong child to a beautiful, mature, intelligent young woman. The world is waiting for you with open arms and your only limitations are bound by your desire and imagination. We are behind you one hundred percent. We love you.

Also, like to send out a special thanks to Kim Trezona and Cheryl Jenkins for helping out so with the yearbook this past year with the ups and downs. Don't know how we got through it, but we did. Thank you again so much for all the extra help.
